

## MEMORY WITH BRILLINGTON

Hello, I'm Noor Syahidah. I'm 18 years old. I'm ex-student of SMK Puteri Titiwangsa. Before this, my English is not so good. Moreover, my English teacher at school always laugh at me about my English and the way I speak. In other words, it mean I never score A in my English.

Sometimes, I feel shy and lack confidence to speak with other in English. So my mother suggested Brillington Language Centre to help me to improve and learn English well.

Without wasting my time, I just accepted the suggestion. I joined the School Leavers Programme.

The first day (13th Jan 2010), I stepped in this centre, I had various feelings in my heart. I felt shy, nervous and quite awkward. In my mind, I just think how are the tutors? How are the students? I bet you all also felt like that too for the first time. After I joined this programme, I found that the tutors are not bad, the students are friendly and we have a active class. I started to build my confidence. My tutor, Mr. David, had taught me how to pronounce well and how to communicate with other with full confidence.

Lastly, I want to say, it such a big waste if you are not learning English here. Because learning English is fun. To all my friends, it's nice to know you all. Even we all know each other for a short time, I felt like I have known you for a long time. I hope we still keep in touch. Last but not least, thank you to all of my Brillington's trainers for encouraging me to improve my weakness in English.

**Thank you so much!**
