

Hi there. My name is Nurfarah Safiah. I'm from Taman Melati. In my opinion, the ideas in Brillington made significant and joyful changes for me. After attending several classes, Last week was the first time I went into the class and discovered that I can be happy no matter what is going on in my life.

In my view, I saw for the first time that even when I am shy or sad, I can have a wonderful and joyous life with my other new friends I've met. Life is just wonderful! It always has been great, but I didn't realize it until I came to Brillington. Every hour, I can make the choices to have my life continue to be outstanding and make remarkable changes in my life.

Like most people/students I was doing pretty well and thought life couldn't get much better. Then, my life took an unbelievable leap forward.

Thanks to Brillington, I have now become more confident and improved my English language for the rest of my life with my helpful friends and teachers.
